

# PACIFIC VISION

---

## FOUNDATION

**Honouring** our history  
**Nurturing** our present  
**Championing** our future

**Partner with us in transforming young lives**

**The Pacific Vision Foundation was established in 2017 to streamline support for our Pacific Group of Christian Schools. Our Foundation serves as the conduit for our community to honour our history, nurture our present and champion our future.**

Our Pacific Group of Christian Schools has a history of generosity. Your donations play a pivotal role in shaping the present and future of our students at Pacific Group schools. From constructing and maintaining school facilities to embarking on special educational projects and sustaining community scholarship programs, your contributions fuel our shared mission.

We recognise that each person's capacity to donate varies, and we appreciate that heartfelt giving comes in all sizes. Every donation, regardless of the amount, carries the power to make a significant difference. Your support, whether big or small, contributes to the growth and well-being of our students, fostering an environment where dreams can flourish. Thank you for being a part of this transformative journey.

## Areas of Need

### Building Fund

Preparing for the future. This fully tax-deductible fund is dedicated to acquiring land, constructing, and maintaining the School's vital infrastructure. Your generous contributions to this fund are not just practical but pivotal in shaping the future of our School.

### Community Scholarship Fund

The Pacific Group of Schools has upheld a longstanding dedication to social justice, diversity, and fostering opportunities. Our tax deductible Community Scholarship Fund embodies this commitment, providing avenues for students who might otherwise be unable to access Christian education. More than mere financial assistance, the Pacific Group of Schools Scholarship Fund is a beacon of support, capable of altering the life paths of students and their families. It's about breaking down financial barriers, unlocking doors, and empowering students to fulfill their divine potential.

### Library Fund

Contributions to this tax-deductible fund fuel the expansion of our library collection and the continual enhancement of learning materials. Your generosity directly supports the enrichment of essential library resources, including books, audiovisual materials, information technology, computer software, and hardware.

## **Bequest Legacy Fund**

The Pacific Group of Christian Schools has a strong history, much of which has been enabled by the generosity of others. We are now building on this tradition by forming our Bequest Legacy Fund - a legacy for future generations. We understand that leaving a gift in your will is a carefully considered decision. You can direct your gift to areas where you're most passionate. For donors considering a bequest, contributing appreciated assets like stocks or real estate can be an impactful alternative to cash donations. The School has established a streamlined process for accepting and responsibly leveraging these assets, ensuring their enduring utilisation for future generations.

## **Hope Schools**

Since our founding in 1979, we have committed ourselves to empowering students with learning disabilities along their educational path. Our Hope Christian Schools represent a compassionate, inclusive Christian Education community devoted to fostering the holistic development of each child and offering assistance to students with Autism Spectrum Disorder or mild to moderate intellectual disabilities. Your generosity and collaboration enable us to deliver excellence for our students and families at Hope Christian Schools. Contributions to our DGR building fund are tax-deductible and affirm the worth of every child, providing them with a supportive, safe, and nurturing environment in which to flourish.

## **Aboriginal & Rural Education**

At Pacific Group of Christian Schools, our dedication lies in enriching accessibility, achievements, and prospects for young individuals in regional Australia. Within our Aboriginal schools, we provide an engaging environment where Aboriginal and Torres Strait Islander children can explore their heritage while receiving a high-quality curriculum-based education. Likewise, in our rural schools, we are steadfast in ensuring that all students in rural and remote areas have affordable and equal access to educational opportunities. Your giving to these areas helps sustain our commitment to Christian education for all students.

**Your generous contribution to the Pacific Vision Foundation empowers us to respond to the evolving needs of our students and community, both now and in the future. If you're unsure about which area of support resonates with you or have additional questions, please feel free to contact the Pacific Vision team for a confidential discussion. We welcome the opportunity to meet with you in person, address any inquiries, and delve deeper into your passion for our schools.**

**"Thank you for playing a pivotal role in empowering our students to shine as beacons of light in our community. Your generosity and support are invaluable to us, and we look forward to continuing this journey together."**

**Dr Ted Boyce**, Principal, Pacific Group of Christian Schools

*"We chose Pacific Group of Christian Schools due to their outward facing missions focus and commitment to building a Christ centred community."*

**Max, Parent**

## Contact

If you wish to learn more about how you can make a meaningful impact through your support of Pacific Group of Christian Schools, please contact Annie Meyer and our Community Partnerships team.
